

*Inf: Kampiles*

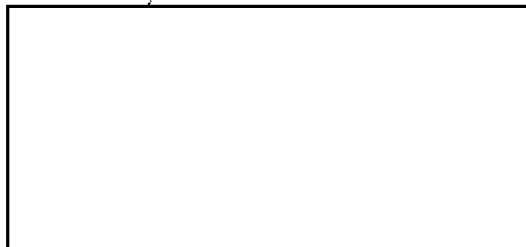

Office of Legislative Counsel

OLD 25931

7 September 1978

NOTE FOR FILE:

I talked with Earl Eisenhower regarding this request. He indicated Senator Goldwater was writing on behalf of the full Committee, and was not asking for a private meeting with the DCI. Since discussions are underway to arrange such a meeting for late next week, Eisenhower said no written response to the Senator's letter was necessary.
